## Location

Located at the Eastern edge of Limassol on the South coast of the island of Cyprus, St Raphael Marina has long been a recognised landmark in the town's recent history. We are only 30 minutes drive from Larnaca International Airport, and approximately 45 minutes from Pafos International Airport.

Considered as the most prestigious area of Limassol, the St Raphael Marina is within walking distance to all necessary amenities such as a pharmacy, minimarkets and larger supermarket, top rated restaurants, bars, souvenir shops, two Blue Flag awarded beaches and a convenient bus route connection into the town centre as well as other towns.

Also within a couple of minutes drive, one can visit a choice of beautiful traditional villages, attractions like Santa Marina Country Club Retreat, the Ancient Ruins of Amathus and many more.

Our location also means that the capital of Nicosia is a quick motorway drive away (approximately 50 minutes) with access to most embassies, all government offices, museums, shopping malls and much more at your fingertips.
